***“We’ve Got You Covered”***

Dear parents, families, and friends:

It has been our pleasure to teach your child(ren) this year, and we hope we have succeeded in making dancing an enjoyable experience for them. Thank you for entrusting us with the education of your child in an art form that they will always remember. Dance is a gift you give your child that will last a lifetime. We take our teaching seriously and hope that your experience with us has been to your satisfaction. We hope to see all of you this summer for summer classes and back in August for our next season.

Please enjoy the show. Your dancers have worked hard preparing for it. Thank all of you for choosing our studio; we know you have a lot of choices for your dance education. Finally, thank you so much for a wonderful year! You all are why we do this and make us want to keep it going for so many years to come!

We also wish to thank the videographer, as well as the assistant teachers. Finally, a heartfelt thank you to our own families for all the years of love and support—we could not do this without you!

*Dancingly Yours,*

*Amy, Allison, Anna, Aralyn, Ava, Eva, DeLyn, Trinity, Delaney, Teela, Christina,  
and Bethany*
